The Trustees, as trustees of an express trust, shall prevent any infringement and shall compel the performance of any restrictions set out in this instrument and shall enforce any rules and regulations issued by said Trustees. This provision is intended to be cumulative and is not intended to restrict the right of any lot Owner or Forest Hills Country Club to proceed in its own behalf, but the power and authority herein granted to the Trustees is intended to be discretionary and not mandatory. In exercising this power and the power to collect Assessments hereinafter granted, the Trustees shall have the right to engage agents and the services of attorneys and to recover costs and attorneys fees in a reasonable amount as part of any settlement or judgment obtained.

The Trustees are vested with the rights, powers, and authorities described in this instrument, and with the following rights, powers, duties and authorities:

Official action of the Trustees shall be by majority vote and any official documents shall be signed by the Chairman or Secretary.

Section 2. To exercise such control over streets and easements as is necessary to maintain, supervise and insure the logical use of such easements by the necessary public utilities, including the right (to themselves and others to whom they may grant permission) to construct, operate and maintain on, under and over said easements, streets, sewers, pipes, poles, wires, and other facilities, and public utilities for service to the lots and other development shown on the plat of the Tract.

The Trustees or officers, agents and employees shall not be deemed guilty or liable for any manner of trespass, for any such injury, abatement, removal or planting.

Section 6. To consider, approve or reject any and all plans and specifications for any and all Structures (anything constructed, erected or located, the use of which requires permanent locations on the ground or which, though movable, is used for a purpose which usually or customarily involves permanent location on the ground, including but without limiting the generality of the foregoing, signs, tennis courts, pergolas, gazebos, buildings and fences) proposed for erection on the lots or Forest Hills Country Club or proposed additions to such buildings, or alterations in the external appearance of buildings already constructed, it being hereinafter provided that no building or Structure may be erected or structurally altered on any of said lots unless there shall be first had the written approval of a majority of the Trustees to the plans and specifications therefor and to the grade proposed therefor as well as to the grading of any portion of the lot or property.

Section 7. To require a reasonable deposit or surety in connection with the proposed erection, demolition or alteration of any building or Structure or regrading on any of said lots or Forest Hills Country Club in order to provide that upon completion of the project, all debris shall be removed from the site and from adjacent lots and any and all damages to Tract improvements, especially the street surfacing, shall be repaired. #### ASSESSMENTS

The Trustees in exercising the rights, powers and privileges granted to them, and in discharging the duties imposed upon them by this instrument may:

Section 1. Make Uniform Annual Assessments, not to exceed Five Hundred Dollars (\$500.00) per lot in any one year and not to exceed Five Thousand Dollars (\$5,000.00) (ten (10) times the per lot assessment) for Forest Hills Country Club in any one year, against all the property in the Tract for the purpose of carrying out the general duties and powers of the Trustees as herein described and for the further purpose of enabling the Trustees to defend and enforce restrictions, to adequately maintain and improve streets, utilities, and landscaped areas and to properly perform all of their responsibilities authorized herein.

A portion of the Uniform Annual Assessment as set out in the Annual Budget, shall be set aside to build and maintain a reasonable Reserve for contingencies and replacements which are not listed in the Annual Budget. Extraordinary expenditures and replacements, which are not included in the Annual Budget and which become necessary during the year, shall be charged first against such Reserve.

Section 2. If at any time the Trustees shall consider it necessary to make any expenditure requiring a Capital Assessment in addition to the assessments provided above, they shall submit in writing to the Owners of the lots and Forest Hills Country Club for approval, an outline of the plan for the contemplated project and the estimated amount required for completion of same and the total Capital Assessment required against each lot and the Forest Hills Country Club. Except for Capital Assessments pertaining to Forest Club Drive, no assessment to Forest Hills Country Club shall be greater than ten (10) times that to an individual lot Owner.

The Trustees shall also hold a meeting, notice of which will be given in the same manner as provided for in this instrument for the election of Trustees, and if the project is approved at said meeting either by a majority vote of all lot Owners, or by a two-thirds (  ) majority vote of resident Owners, present in person or proxy, the Trustees shall notify all Owners and the Forest Hills Country Club of the additional Capital Assessment. The portion of any Capital Assessment, payable by Forest Hills Country Club shall, however, never exceed the ratio set out in Section 1 hereof.

If an expense is one that involves the improvement or maintenance of Forest Club Drive, which provides the main vehicular access to the Forest Hills Country Club, then the portion expense relating to Forest Club Drive shall be assessed one-half against the Forest Hills Country Club and one-half against all lots within the Tract, but the Forest Hills Country Club shall not be liable for any maintenance or Capital Assessment made for the improving or reconstructing of any other street within the Tract.

Section 3. All Uniform Annual Assessments made by the Trustees for the purposes hereinabove enumerated shall be in the manner and subject to the following

procedure:

- a. Except as otherwise provided, no Uniform Annual Assessment or Capital Assessment shall be made except upon resolution duly adopted at a meeting of the Trustees.
- b. Notice of all Uniform Annual Assessments shall be given by mail addressed to the last known or usual post office address of the holder of the legal title of each lot or may be given by posting a notice of the Uniform Annual Assessment upon the lot or property, itself. Service in any one of the said methods will be sufficient.
- c. Any Uniform Annual Assessment not paid within thirty (30) days of said notice shall be subject to a Late Charge determined by the Trustees and a reasonable attorney's fee if said Legal Counsel is retained to collect same. Every Uniform Annual Assessment shall become due and payable within thirty (30) days after notice is given as above provided. From and after the date when said payment is due, it shall bear interest at the rate of nine percent (9%) per annum until paid and such payment and interest shall constitute a lien upon said lot and said lien shall continue in full force and effect until said amount is fully paid.
- d. The Trustees may, in addition, execute and acknowledge an instrument reciting the levy of any assessment with respect to any one or more lots as well as to the Forest Hills Country Club and cause same to be recorded in the Recorder's Office of St. Louis County, Missouri. The Trustees shall, upon payment, cancel or release any one or more lots from the liability for assessments as shown by recorded instrument by executing, acknowledging and recording at the expense of the owner of the property affected release of such assessment with respect to any lot or lots affected, and the Trustees shall note in their minutes any payments made on account of assessments.

#### IV

No sign shall be erected on any common ground or easement without prior approval of the Trustees.

Section 7. No lot shall be re-subdivided nor shall a fractional part of any lot be sold without the consent of the Trustees but the Trustees may consent to the division of any lot between two or more owners of contiguous lots for the purpose of giving greater area to a building site.

Section 10. No building, Structure or wall shall be erected, or placed or altered on any lot until the construction plans and specifications and a plan showing the location of the Structure have been approved by the Trustees as to quality of workmanship and materials, the harmony of external design with existing Structures and as to location with respect to topography and finish grade elevation which in the opinion of said Trustees, the location, architectural design and type of construction of such proposed Structure will not detract materially from the appearance and value of all other lots. Approval shall be deemed given if rejection of plans has not been given within 45 days of the date marked upon the plans as being officially received. Any construction plans or specifications requiring, pursuant to local Ordinance, approval of the City of Clarkson Valley, shall also require approval of the Trustees. The Trustees shall not be liable in damages to anyone so submitting plans for approval or to any lot or property owners covered by this instrument by reason of mistake in judgment, negligence or nonfeasance of itself, its agents or employees, arising out of or in connection with the approval or disapproval, or failure to approve any such plans. No abandoned or derelict vehicle, as defined in the Clarkson Valley Municipal Code at Chapter 12, Article II, Section 12-26 (16) and (17) shall be kept for a period longer than ten (10) days on any Lot within the Subdivision.
